 MADISON, WI 53703  
 JULY 1, 2010  
 10:00 AM

TELECONFERENCE MEETING AGENDA

1. CALL TO ORDER
2. ROLL CALL AND INTRODUCTION OF MEMBERS – CARL GUSE
3. OLD BUSINESS
  - A. Discussion and possible action for recommendation to the Interoperability Council regarding designating a frequency or frequencies for public-private interoperability.
  - B. Discussion and possible action for recommendation to the Interoperability Council on a narrow band policy update prepared by the MFCG for guidance to stakeholders in Wisconsin.
  - C. Discussion and possible action for recommendation to the Interoperability Council on county-wide mutual aid frequency authorizations with cover letter to Sheriffs, Emergency Management Directors, and Communication Managers.
  - D. Discussion and possible action for recommendation to the Interoperability Council regarding the Statewide Communications Interoperability Communications Plan (SCIP) Annex K amendment concerning the following frequencies:
    - WISPERN becomes VLAW31 when narrow banded
    - EMS B becomes VMED28 when narrow banded
    - VCALL becomes VCALL10 by 11/01/11
    - VTAC1 thru VTAC4 become VTAC11 thru VTAC14 by 11/01/11
    - No change to MABAS channels; national versions available in National Zone.
    - All VHF radios are recommended to include a National Channel Zone, channels as per NPSTC/NIFOG with 156.7 tone:
 

VCALL10	VTAC12	VTAC14	VFIRE22
VFIRE 24	VFIRE26	VMED29	VLAW32
VTAC11	VTAC13	VFIRE21	VFIRE23
VFIRE25	VMED28	VLAW31	SAR
  - E. Discussion and possible action for recommendation to the Interoperability Council that all grant funded VHF radios are required to carry all 24 Wisconsin statewide mutual aid channels.

4. NEW BUSINESS

A. Applications and Approvals – Carl Guse

- Request from Winnebago County Sheriff's Office to operate on MARC 1, 2, 3 & 4 and WEM Car.
- Request from Washington County Sheriff's Office to operate on Fire ground Red, White and Blue.

5. ADJOURNMENT
